About Us

We at **Ashtavinayak Enterprises**, are known to be amongst the leading exporters, suppliers, traders and importers of highly commendable Potassium Humate & Amino Acid, ever since our establishment in the year **2006**. The range comprising Amino Acid, Seaweed Extract and Fulvic Acid, is highly acclaimed and asked for in the market. This range is formulated in accordance with the industrial norms, by trusted vendors, using the highest grade of ingredients and advanced machines. Because of this, its effectiveness and shelf life are highly commendable. Further, the range is priced at the most reasonable rate possible.

Our highly commendable warehousing facility helps bus in the attainment of several organizational objectives and goals in the most efficient manner. The facility is taken care of and maintained by some of our highly skilled and experienced warehousing professionals. The facility's high storage capacity enables it to accommodate tremendous amount of supplies. The facility's compartmentalization helps us in managing the firm's operations in a better and fine manner. Further, the facilities' resistance to heat, water, earthquake and insect infestation, prevents any sort of damages to the products. Some of our offerings re imported from **China** to ensure the desired quality standards.
